“ Thank you again to Katie, Kristie and Chris for their great work. After a small booking debacle I didn’t think it was going to happen but everyone went above and beyond to ensure it went smoothly. I look forward to more events at the Notting Hill Hotel!

Kind Regards

**“The best compliment I can give is that all our staff at David Golf feel that it was the BEST Xmas party ever – and to give you an idea, some of these guys have been working here for 20 years +!**

**I have been truly impressed with your professionalism and attention to detail. As I have mentioned a couple of times before, I’ve been organising work events for some time and have never felt as confident as I did going into Fridays event because you were at the helm. Everything from the decoration that you handled for us, to the food and service – all were excellent. You even lit the fire for us!!! I think we have even convinced the boss to hold our Xmas party at ‘The Nott’ every year!**

**“I would give the Notting Hill Hotel a rating of 9/10, The saloon bar was perfect for our meeting and the location of the hotel is perfect for us as many travel from different locations over the state and it is easy to reach of the freeway. The only problem we had with the night was that our table was split in two for dinner, last year we all sat together. A few members were disappointed we could not sit all together. We all enjoyed the meals and the hotel, this is the second time we have used your facilities and our members were very happy to return. So hopefully we will see you again in two years.**

Kind regards,

Tracy.”

**“The weather on the day was beautiful so sitting in the beer garden was lovely. Food service was also very good and friendly staff.”**
